BIO-SORB® PASTE

ORAL GASTROINTESTINAL ADSORBENT

PRESENTATION: Beige to light brown paste for oral administration to horses.

ACTIVE CONSTITUENTS: Each kg contains: Di-Octahedral Smectite.

PROPERTIES: Bio-Sorb® is a ready to use, easy dose formula to support healthy gastrointestinal function in foals and adult horses and is formulated for the prevention of intestinal dysfunction including mild diarrhoea.

For management of a healthy gut, Bio-Sorb Paste can be used in conjunction with **ProN8ure® Multi-Strain Probiotic** to provide billions of naturally occurring beneficial live bacteria, essential for good intestinal health.

For Australia: To support a healthy gastrointestinal function in foals and adult horses and is formulated for prevention of intestinal dysfunction including mild diarrhoea.

For New Zealand: Antidiarrheal preparation for mild diarrhoea and supports healthy gastrointestinal function in foals and adult horses.

DOSAGE AND ADMINISTRATION:

Gently open the mouth and place the tip of the syringe on the back of the tongue, tilt head slightly up and allow to swallow.

The syringe = 450 kg horse, multiple syringes maybe required.

Note: Plunger markings 0-100 = 10 g, 0-200 = 20 g, 0-300 = 30 g (half a syringe)

NEWBORN FOALS (Less than 24 hours)

Antidiarrheal preparation for mild diarrhoea: Administer half a syringe (300 marker) 2-3 times daily, not less than 6 hours after first nursing occurs or as directed by your veterinarian.

FOALS

Prevention of intestinal dysfunction and antidiarrheal preparation for mild diarrhoea: Administer half a syringe (300 marker) 2-3 times daily or as directed by your veterinarian.

ADULT HORSES (450 kg horse)

Prevention of intestinal dysfunction and antidiarrheal preparation for mild diarrhoea: Administer 2 x syringes morning and 2 x syringes at night or as directed by your veterinarian.

WITHHOLDING PERIODS: NIL

POISONS SCHEDULE: NOT APPLICABLE

REGULATORY STATUS: Australia: END (Excluded nutritional or digestive product)

New Zealand: Exempt

PACK SIZE: 60 g Syringe or pails of 30 x 60g
